

PATIENT PARTICIPATION GROUP

Felmores Surgery

WOULD YOU LIKE TO BE INVOLVED?

What is a Patient Participation Group?

A PPG is a group of patients who work with practice staff and meet at regular intervals to discuss ways of making a positive contribution to the service that we provide to our patients.

Every PPG is unique, it involves meeting on a regular basis to advise staff on how we can improve services and meet the needs of our patients.

WHAT IS THE PURPOSE OF A PPG?

- To give practice staff the opportunity to discuss topics of mutual interest in their practice.
- To provide the means for patients to make positive suggestions about the practice and their own healthcare.
- To encourage health education activities within the practice.
- Patients to provide support and information to other patients on a range of conditions such as Heart Disease, Diabetes etc.
- To act as a representative group that can be called up to influence the local provision of health and social care.

HOW CAN THIS GROUP HELP YOU?

EXAMPLES OF WHAT CAN BE DONE:

- Provide feedback from patients
- Health Promotion
- Voluntary Activities
- Representation
- Fundraising
- Influence Decisions
